O R D E R

IT IS ORDERED that North Shelby Water Company shall file an original and seven copies of the following information with the Commission by January 7, 1983. If the information requested or a motion for an extension of time is not filed by the stated date, the Commission may dismiss the case without prejudice. North Shelby shall furnish with each response the name of the witness who will be available at the public hearing for responding to questions concerning each area of information requested.

1) Provide the income statement for the test period (12 months ending September 30, 1982) using revenue and expense accounts as prescribed by the Uniform System of Accounts.

2) Provide the total case expense for the previous Case No. 8285, and provide the method of accounting for this expense in the annual reports on file with the Public Service Commission.

3) Provide the detailed calculation justifying the proposed depreciation expense of \$88,094 from page 3 of the application.

4) Provide financial details concerning the proposed extension to connect with the Frankfort Water Plant; include the negotiated purchased water cost and the expected volume purchased from Frankfort by North Shelby.

5) Provide a complete billing analysis covering 12-month period of test year showing number of customers and gallons sold per 1,000 gallons.

Done at Frankfort, Kentucky, this 8th day of December, 1982.
